

# Supporting you and your patients from **Day One**

Our dedicated outreach worker in West Yorkshire provides free practical and emotional support to help people rebuild their lives after catastrophic injury.

## We can help with:

- > Emergency grants – to cover immediate costs
- > Peer support – talk to a former patient
- > Legal advice
- > Benefits & welfare advice
- > Free 24-hour counselling for patients & loved ones

## How to access support:

- > Amanda Booth
